

RIDE FOR THE BRAND!

RIDE FOR THE BRAND!

That's a powerful statement here in the west! It's a value we hold dear, and one we like to know we can count on. It means loyalty to the outfit. It means giving your best effort no matter what. It means working together on the trail, even when days are long and hot and dusty.

Here at the Colorado Cowboy Gathering, we pride ourselves on honesty, hard work, and giving a good value for the dollar. When you ride for this brand, you ride with some pretty good hands, and the outfit you're riding for celebrates the life of the cowboy. We take pride in presenting the best of the West – the finest in cowboy poetry, music, and storytelling.

We'd like to extend a friendly hand and invite you to saddle up and ride for this brand. Become a member of the Colorado Cowboy Gathering, and support your favorite cowboys and cowgirls as they give voice to the spirit of the West!

When you become a member of Colorado Cowboy Gathering, Inc., you make a commitment to share in our Western heritage. We look forward to meeting you at the annual Colorado Cowboy Poetry Gathering (CCPG) and at various other events we're planning along the trail. *Welcome to our Rockin' Double C-G outfit!*
